

Expression of Interest

*** 1. Project title - short title in plain language (maximum 150 characters)**

*** 2. Project contact person for this application**

Full name

Email address

Phone number

*** 3. Proposed duration - indicate number of months you anticipate the project could take. Project must be completed within 12 months from receipt of funding.**

Description of the proposed project

Provide a brief discussion of the proposed research project addressing the following.

*** 4. Outline of proposed research project method (maximum 500 words)**

[Address selection criterion 1 - Merit](#)

* 5. In 2020, consideration will be given to the best quality applications that address either of the following priorities (*maximum 500 words*)

1. Technology use in diabetes education and management
2. Self-management and medication management
3. Quality use of glucose-lowering medicines
4. Impact of models of care on diabetes outcomes and their effectiveness
5. Non-medical prescribing
6. Impact of CDEs in diabetes care and education

[Address selection criterion 2 - Relevance to diabetes education and care](#)

* 6. Collaborations and research partnerships (*maximum 250 words*)

- **Research advisory group:** the project must be supported by a research advisory group including (an) ADEA member(s) and individual people with diabetes. The Foundation encourages applicants to consider and include, as appropriate, government bodies, interdisciplinary clinicians, researchers, healthcare policymakers, service managers, industry and/or multiple site collaboration in the applications.
- **Communication and dissemination plan:** outline how the results of the research project could be communicated with ADEA to other researchers, clinicians, students, consumers and healthcare decision makers
- **Implementation plan:** outline how the results of the research project could be implemented into practice and by whom

[Address selection criterion 3 - Collaboration](#)

About the Principal Investigator

*** 7. Details of the Principal Investigator**

Title

Given name(s)

Surname/family name

Position/professional role relevant to the project

Institution/Department

Email address

Postal address

State

Postcode

Telephone

SAMPLE

8. If the principal investigator is a student researcher, e.g. PhD candidate, please include details of the principal supervisor
